Data protection

Alphabet Fuhrparkmanagement (Schweiz) AG, Industriestrasse 20, 8157 Dielsdorf, Switzerland, collects and processes the personal data of its customers in order to provide them with a reporting tool containing information on their individual fleet. The stored data primarily include (but are not limited to):

– Contract data (e.g. customer name and customer number, contract numbers, driver names, number plates, and lease agreement details such as vehicle models, contract duration and mileage)
– Account data (e.g. cost centres, data relevant for IFRS 16)
– Customer transaction data (e.g. actual mileage including deviations, fuel consumption)

Acknowledgement

The customer acknowledges that the following person(s) is/are authorised to access Alphabet View and the customer information and contract information contained therein. Should these permissions change, the customer will inform the lessor immediately and provide a new list of those authorised to access Alphabet View.
