

# Poolmanagement

We manage your pool cars  
worry-free.

# Alphabet is happy to take over the pool car management of all your lease cars.

## We do it all

Is a car due for an interim check? Do you need to get a car fully road-ready for a new driver? We do it all for you, from A to Z.

## Cooperation with partners

We always guarantee you the best turnaround time thanks to our close cooperation with recognised Alphabet partners.

## Inspection report

After each interim check, we provide you with a handy report of the condition of the car. This way you won't be in for any surprises.

## Damage photos

By including pictures of acceptable wear and tear in the inspection report, we guarantee you a transparent view of the complete condition of the car

## Storage

We store your cars safely at a central location with our external partner.

## Central point of contact

Our dedicated Pool Management Team will be happy to assist you with all your questions and ensure a quick and personal follow-up.

## Additional services: check that vehicle documents / accessories are present in vehicle

During the car inspection, we check whether all vehicle documents and accessories are present. If this is not the case, we will take the necessary steps to equip the car with all the required items.
